Time for Brooklyn to be united

As the head of the division of public validity with Elliot Spitzer, Mark Peters rendered harmless corrupt officials and immoral corporations.

Government officials and the corrupted organizations in Brooklyn do not fear to violate law, because they do not fear to be caught. Why would they fear, when the present county attorney proved that he was not ready for the fight?

Mark Peters possesses energy, experience and selflessness in order to revive public confidence, after heading the effective and energetic office of the county attorney.

As the representative of the head of the division of civil rights with Elliot Spitzer, he helped to carry out the first law of New York, against hate crimes. As the head of the division of public validity, Mark protected the inhabitants of New York from the corrupted politicians and the corporations, which cost us money and made our government less reliable and less effective.

“Working with Elliot Spitzer, I understood, that the eradication of our corruption requires persistence, enthusiasm and energy. The county attorney showed that he will not fight with the corrupted officials, but I would.”

As the head of the division of public validity, Mark Peters:

- Fought with political corruption, presenting charges to the leaders of the political organizations of New York, which stole funds, intended for women, children and people with AIDS
- Investigated and thoroughly reexamined the NYPD personnel, which persecuted the drivers of feminine sex and dealt with illegal searches
- Won the case against an immoral corporation, which assigned the overstated price of milk in the programs of school's dinner.

DA Charles Hynes running a Corrupt Office, challenger claims

By Eli Rosenberg, July 18, 2012

1. Via the *Brooklyn Paper*: District Attorney Charles Hynes runs a politically corrupt ship that needs to be cleaned from stem to stern, claims a prosecutor who hopes to boot the 23-year incumbent from office next year.
 2. "We've lost trust in DA Hynes and that's a huge problem for the community," said Abe George, a Sheepsheadbay native and Williamsburg resident who stepped down from his post as an Assistant District Attorney in Manhattan to focus on his nascent campaign. "My election will be about restoring integrity to the office."
 3. Hynes has been in Office since 1989, but George says Brooklyn's current climate is ripe for change, claiming that the recent criticisms on Hynes's chummy relationship with the ultra-Orthodox community around sex abuse crimes shows how far the district attorney has fallen from grace. "He's lost all credibility in prosecuting these sex crimes in the ultra-Orthodox community and as a result of that some of the political prosecution power we've had," said George. "He's failing to protect children and he's failing to protect the public from crime." Hynes came under fire for being too cozy with Brooklyn's Ultra-Orthodox community — a powerful voting bloc — starting with a scathing piece in the New York Times that accused him of tacitly supporting a practice in which rabbis determine if a sex crime should be reported to police. But George says Hynes's shortcomings are not limited to his relationship with religious communities. "Hynes has done a terrible job at addressing crimes in general," he said, noting that Brooklyn leads the city in murders. And the precipitous drop in crime in Brooklyn over the last twenty years is more national than a local phenomenon, George claims. "We have to address the murders in Brownsville, East New York, and Bedford-Stuyvesant," he said. Thirty-eight percent of murders citywide last year occurred in Brooklyn.
 4. George said that if he's elected, he will work more closely with the police department to refine the city's controversial stop-and-frisk policy. "Stop-and-frisk is the purview of the District Attorney; he's the chief law enforcer of the county and it's his job to tell cops when they've crossed the line," George said, claiming that stop-and-frisk leads to an excessive number of marijuana-related arrests. "We need to educate the police department to what the legal standard is and hold the line. It's wrong to have people stopped without reasonable suspicion of criminal activity." George, who went to Midwood High School before attending NYU as an undergraduate, said he will take a street-level approach to campaigning.
- "I'm meeting with the communities, victims, churches, and mosques for the first 90 days to get on the ground and meet people," he said. "I'm a city guy and a Brooklyn boy and it's been frustrating to see how Brooklyn has suffered in different areas recently." Hynes declined to comment, but said through a spokeswoman that he would be running in 2013.

Lawyer accuses Brooklyn DA Charles Hynes' office of manipulating witnesses, evidence. (Att'y claims dirty tricks)

By BRAD HAMILTON

Posted: 12:40 AM, December 3, 2012

bhamilton@nypost.com

EXCLUSIVE

1. A Defense Lawyer claims, **Brooklyn DA Charles Hynes' Office** coached a witness to implicate his client in an armed robbery and fudged evidence in prosecuting the case.
2. **Attorney Mark Bederow** levels the bombshell accusation in a 10-page letter, he fired off to the **Case's Lead Prosecutor** on Friday, copied to Hynes and submitted to Brooklyn Supreme Court Justice Suzanne Mondo, and the **Court Clerk**.
3. The claim comes as Hynes, who is up for re-election, deals with a suit alleging his Office manipulated evidence in **convicting an innocent man of murder in 1995**. The letter demands the **DA drop charges against Ronald Bozeman, 65, who faces life in jail for a heist last year outside an HSBC bank in Downtown Brooklyn** in which **two grocery workers** were forced into their SUV at gunpoint and robbed of **\$9,000** they had just withdrawn. "This prosecution has been a fiasco," Bederow wrote to **Assistant DA Sabeeha Madni**. "The DA had knowledge that prosecution against Mr. Bozeman was unwarranted," he wrote. Bozeman, who previously served 12 years for robbery, became a suspect after his DNA was found on a white cloth in a zippered blue bag the two bandits left in the SUV. But a prosecutor mistakenly said Bozeman's DNA was found on a "white cloth bag," Bederow states. A victim later testified he saw a "white cloth bag," and Bederow claims the sworn statement shows the witness was coached. The two victims also initially identified Bozeman as the gunman, court papers show. But both switched their statements six weeks later, pointing to suspect George Johnson after Johnson's DNA was found on a cell phone left by the thieves, Bederow alleges. The DA's Office "knowingly elicited contradictory identification testimony from the same two key witnesses before two separate grand juries," Bederow alleges. Neither man was the gunman, Bederow says in the letter, claiming that Johnson was an accomplice and that another man, **Edicy "Slim" Reedy**, had the weapon. Reedy owned the phone, his DNA was on the bag and he matched witness descriptions of the gunman, the lawyer wrote. Reedy was arrested, but never put in a police lineup, and the DA declined to prosecute, stating two people were already arrested and charged, a court document shows. Reedy could not be reached for comment. Johnson's Lawyer did not return a call.
4. A **Federal Judge** last month criticized Hynes for promoting his **Deputy, Michael Vecchione**, who allegedly manipulated evidence to send **Jabbar Collins** to prison for **15 years** in the 1995 slaying of **Rabbi Abraham Pollack**. Collins was freed last year and has **sued the City for \$150 million**. Vecchione has denied any wrongdoing. Hynes has defended his office's actions in the case.

Service Introduction.

adam@bederowmiller.com, mark@bederowlaw.com

Mark Bederow's career began in 1998, when shortly after he graduated cum laude from the Syracuse University College of Law, he was appointed by Robert M. Morgenthau as an Assistant District Attorney for New York County. At the District Attorney's Office he developed a reputation as a thorough investigator and skilled trial attorney. In 2004, he joined Thompson Hine LLP, a large international law firm, where he focused his practice on white collar criminal defense and related subject areas. In 2008, he formed the Law Office of Mark A. Bederow.

As an Assistant District Attorney at the leading prosecutor's office in the nation, Mr. Bederow learned to think like a prosecutor and honed his investigative and trial skills—traits critical to effective representation in a criminal matter. Among the thousands of cases he investigated and prosecuted, Mr. Bederow managed several long-term investigations and tried many complex cases. He also prosecuted one of the first indictments ever brought under New York's hate crime statute.

After more than five years as a prosecutor, Mr. Bederow joined Thompson Hine. There, he developed exceptional client service skills and successfully represented both individuals and business entities in many significant criminal and non-criminal matters.

Mr. Bederow has represented public officials, attorneys, medical professionals, federal and state law enforcement officers, business owners, investment bankers, traders, Hollywood personalities, students, a best-selling author, an internationally renowned artist and many others.

Mr. Bederow has earned a reputation as a legal strategist who thinks outside the box to reach a favorable resolution, but also as a skilled litigator willing to try a case if it is in the best interest of his client. Mr. Bederow has never lost a trial as a prosecutor or as defense counsel, and he has tried many high profile cases. Mr. Bederow recently represented a decorated former Supervisory Special Agent of the FBI charged with four counts of murder arising out of allegations that he assisted his Mafia informant commit organized crime related homicides. All charges were dismissed in the middle of the prosecution's case at trial.

Since 2004, Mr. Bederow has been a guest-faculty member at the New York County District Attorney's Office Trial Advocacy Program. In 2006, he was selected by a committee of the Association of the Bar of the City of New York to perform in a mock trial conducted before the Association.

Mr Bederow is admitted to practice in the State of New York and the Southern, Eastern and Northern Districts of New York. He is a member of the Association of the City Bar of New York, the Criminal Courts Committee of the Association of the Bar of the City of New York, the New York State Association of Criminal Defense Lawyers and the National Association of Criminal Defense Lawyers.

REPORT
VISITING THE RUSSIAN-SPEAKING ATTORNEYS

A meeting of the Russian American Bar Association (RABA) members took place recently in Brooklyn.

RABA is a nonprofit organization led by the head of a famous law firm "Melnik Law Group", professor of law Steven Melnik. It was founded in 2010 with the goal of uniting the Russian-speaking attorneys, fostering cooperation between them and helping Russian-American law students or those considering a career in law. According to the Bylaws of the organization, membership is open to all legal professionals, regardless of their background, who share its tasks and goals.

New, highly qualified attorneys representing different areas of law joined RABA during its two year history. They were not only from New York but from other states as well. The organization gained respect of both the Russian-speaking immigrant community and the influential city politicians. Many of them reaffirmed this as they attended the meeting despite the cold and the snow. The guests included the Brooklyn District Attorney **Charles Hynes** with his assistant, Russian-speaking community liaison A. Gurevich, New York State Assemblymen A. Brook-Krasny, **S.Cymbrowitz** and A. Maisel, City Councilman L. Fidler, City Council candidate J. Lisiansky. All of them noted the significant achievements of RABA in their speeches.

District Attorney **Charles Hynes**, an honorary advisor of RABA, said: "I am glad that there are so many attorneys, physicians and representatives of other prestigious occupations among the immigrants from the former Soviet Union. I know how much and how hard they studied and worked in order to integrate into the American society". **Mr. Hynes** was awarded with Honorary Certificate of Membership, presented by S. Melnik, for his assistance with establishing and operating RABA.

[**Charles Hynes** awarded, left: Steven Melnik]- caption from photo # 2

In summarizing the events of 2012, S. Melnik and I. Oberman emphasized the aid provided by the RABA members to the public in the neighborhoods affected by Hurricane Sandy. They provided free consultation and seminars where people who lost their property, cars or even homes were explained how to fill out the forms correctly and which documents are necessary for receiving aid through various agencies and programs. They stood watch in the offices of the local authorities, where emergency assistance stations were set up. Finally, they personally participated in the humanitarian actions to supply the population, especially the most vulnerable groups, the elderly and the disabled, with food, medications and other urgently needed items.

[center: **Steven Cymbrowitz** and John Lisiansky] – caption from photo # 1

One can recall the campaign to receive, unload and quickly distribute 15000 bottles of kefir delivered to Southern Brooklyn from the Chicago manufacturer "Lifeway Foods" by the "EcoMeal" company as a gift to the victims. I. Oberman made arrangements for the appropriate facilities, prepared the paperwork and selected a team of volunteers which he and S. Melnik joined themselves. As a result, they managed to quickly supply fresh kefir to the residents of a

complex on West 5th Street, the members of the American Brotherhood for the Russian Disabled (ABRUD), World War II Veterans Association and Holocaust Survivors Association.

Also noted was the great help of City Council candidate John Lisyansky to the residents of the Warbasse residential complex, which was severely affected by the hurricane.

The attorneys Angelica Kontoroff, member of the Advisory Board of the New York Chapter of RABA, Y. Tsyngauz, T. Pakhman, I Turovevetskaya, A. Kaplan and others present at the meeting spoke with the young attorneys, offering important advice and episodes from their own practice.

Testimony Hotel

Jabbar Collins' lawyer filed a lawsuit on Wednesday, which alleges that the tactics of compelling witness testimonies which clearly violated the constitutional norms were part of widespread practice in the office of Brooklyn District Attorney Charles Hynes

We'll remind you that on March 13, 1995 the 22 year old Jabbar Collins, a father of three children, was convicted of a 1994 murder of Abraham Pollack, a father of nine children, and sentenced to a prison term of 34 years.

Collins studied state and federal law while in prison and filed countless requests. He was very well prepared despite having dropped out of school after tenth grade. He filed an appeal when he was denied information, and, as a result, obtained testimonies not previously presented, which were very useful in his defense. Three witnesses who helped put Collins behind bars later retracted their testimonies.

One of them, Angel Santos, later told a federal judge that when he tried to change his testimony, investigator Michael Vecchione, Hynes' "head of racket service", started threatening him. "He told me that he could hit me with a coffee table or put me in jail for a few years for false testimony".

(Photo: Charles Hynes)

The second one, Edwin Oliva, was coerced to become a witness for the prosecution and locked up in prison in Ulster. "He was told that he would remain in the state prison until he chose to "cooperate" with the District Attorney's Office", the lawsuit states.

Collins and his lawyer Joel Rudin built the wrongful imprisonment suit, which eventually helped secure his release, step by step. He was able to leave the prison only in 2010, after a federal judge acknowledged a range of violations in his case, committed by Hynes' office.

It is important to note that Hynes still holds the same office, that is, the charge is related not only to "water under the bridge", but to current practices as well.

"Hynes practically created a private jail system where witnesses were illegally interrogated and forcibly detained indefinitely," the lawsuit states, "The investigators were taught to bring new materials in the case to the District Attorney's Office instead of the court".

Гостиница для показаний

Адвокат Джаббара Коллинза подал в среду судебный иск, в котором утверждает, что тактика принуждения свидетелей с явным нарушением конституционных норм была частью широко распространенной практики в офисе окружного прокурора Бруклина Чарльза Хайнса.

Напомним, что 13 марта 1995 года 22-летний Джаббар Коллинз, отец троих детей, был осужден за убийство в 1994 году бруклинского равинна Абрахама Поллака, отца девяти детей, и приговорен к 34 годам лишения свободы.

В тюрьме Коллинз изучал федеральные законы и законы штата и подавал бесчисленные запросы. Он подготовился очень солидно, несмотря на то, что бросил школу после 10 класса. Он подал апелляцию, когда ему отказали в информации, и в итоге получил не представленные ранее свидетельства, которые очень пригодились ему в защите. Три свидетеля, которые помогли засадить Коллинза за решетку, позже отказались от своих слов.

Один из них, Ангел Сантос, позже сказал федеральному судье, что когда он попытался изменить по-

казания, следователь Майкл Вечичоне, «начальник службы рэкета» при Хайнсе, стал угрожать ему. «Он сказал мне, что может ударить меня по голове журнальным столиком или засадить меня в тюрьму на

несколько лет за дачу ложных показаний».

Второй, Эдвин Олива, был принужден выступить свидетелем обвинения и заперт в тюрьме в Ольстере. «Ему сообщили, что он будет оставаться в тюрьме штата, пока не согласится «сотрудничать» с офисом окружного прокурора», - говорится в тексте иска.

Коллинз и его адвокат, Джозель Рудин, шаг за шагом выстраивали дело по поводу незаконного заключения, которое в итоге помогло добиться освобождения. Лишь в 2010 году он смог выйти на свободу, после того как федеральный судья признал ряд нарушений в его деле, допущенных офисом Хайнса.

Важно, что Хайнс до сих пор занимает ту же должность - то есть обвинение относится не только к «Делам давно минувших дней», но и к ныне существующей практике.

«Хайнс фактически создал частную систему торем, где свидетелей незаконно допрашивали и насильственно удерживали на неопределенный срок, - говорится в иске. Следователей приучали, что свежие материалы по делу нужно нести не в суд, а в прокуратуру».

Abe George

DEMOCRAT FOR
BROOKLYN DISTRICT ATTORNEY

Justice, not politics.

Welcome

My name is Abe George. For the last 8 years, I served this city as an Assistant District Attorney at the Manhattan District Attorney's Office. As a native son of Brooklyn, I decided to leave that job in July of 2012 because I could no longer stand by and watch the current Brooklyn District Attorney continue to place his own political interests above fighting crime and securing justice on behalf of the people of Brooklyn.

After more than two decades of the same stagnant leadership, it is time for a change. I have a vision to reinvigorate and modernize the Brooklyn District Attorney's Office, to enable the office to effectively fight crime in the 21st century. As Brooklyn District Attorney, I will seek to restore the faith of Brooklyn's citizens that their District Attorney's sole focus is to pursue justice and bring down crime, and not to play politics with people's lives.

About Abe

Abe George is a first-generation American, whose parents grew up in India in poverty. His parents came to the United States in the 1970's because they, like countless other immigrants before them, wanted their children to have a better life. His parents were the first in their respective families not only to make it past middle school, but to become college graduates. His parents both worked at Coney Island Hospital, his mother as a nurse for more than thirty years, and his late father as a Hospital Care Investigator for almost two decades. His parents first settled in East New York; through hard work and savings, they were able to purchase a home in Sheepshead Bay, blocks away from the neighborhoods of Gravesend and Coney Island, where Abe spent most of his childhood. Brooklyn Is Behind the Times in Fighting Identity Theft and Cybercrime

Posted by Abe George *paper* on August 27, 2012

Via The Huffington Post: What is a cybercrime lab? Well, you might have heard that the Manhattan District Attorney's office obtained one, at a cost of \$4.2 million awarded from the city. It will be used to assist the already existing identity theft and cybercrime unit of the New York County District Attorney's office, where a group of specialized prosecutors and forensic analysts investigate crimes of identity theft and fraud.

Why should you care? Because the Brooklyn District Attorney's office not only has no cybercrime lab, it has no dedicated identity theft unit at all.

While law enforcement officials and prosecutors around the country have been gearing up to battle the growing epidemic of identity theft-related crimes, I fear that Brooklyn is lagging behind, and here's why.

If you have not been a victim of identity theft, I bet you know someone who has. Identity theft is the nation's fastest growing crime, and Brooklyn has felt the pain.

Earlier this year, 28 people were caught and prosecuted for running an identity theft ring based in Brooklyn. The only problem is that they were found and prosecuted by the District Attorney in Manhattan, not Brooklyn.

Why is it that we have to rely on Manhattan to clean up Brooklyn's mess?

We should be thankful that prosecutors from across the river came to our aid last spring, but it is undoubtedly a problem when the incumbent district attorney, Charles Hynes, still lacks the initiative or expertise to handle these types of cases right here in Brooklyn.

I am troubled when law enforcement officials tell me, as I have heard first-hand, that they avoid bringing identity theft investigations to the Brooklyn District Attorney's office because the office lacks the resources to properly pick through bank records, trace stolen bank accounts and navigate the complex area of applicable laws.

As a former prosecutor who has prosecuted identity theft cases, I know these investigations are often time and labor intensive while demanding a specialized level of expertise. So while Manhattan readies its multi-million dollar cybercrime lab, it leaves me to wonder whether the reason Manhattan has one, and Brooklyn does not, is that the Manhattan DA simply had the initiative and foresight to ask.

We need to be concerned that without a dedicated identity theft unit, the Brooklyn DA is failing to arm his prosecutors with the most effective and advanced tools to take on the most widespread crimes of a modern age.

"A Scandal Grows in Brooklyn" -- the Problem When a D.A. Plays Politics

Posted by Abe George on September 28, 2012

Via The Huffington Post: In 2011, when Brooklyn District Attorney Charles Hynes stated "Vito is a good guy," it was clear to the people of Brooklyn that their district attorney would never investigate any corruption regarding Lopez.

The press shifted their hopes to District Leader Lincoln Restler as the knight in shining armor who would battle the Lopez political machine. People felt that their hopes were dashed as preliminary results show that Lincoln might have lost in a closely contested race, but corruption isn't fought by district leaders. That job rests with one person, Charles J. Hynes.

"Vitogate" all could have been avoided if D.A. Hynes had been doing his job.

It goes unsaid that to run for district attorney you must engage in political activities. But unlike most elected positions, your political hat must be removed once you're on the job. One of the district attorney's roles is to prosecute political corruption, which means maintaining an arm's-length relationship with politicians and party bosses.

Throughout his 22-year career as district attorney, Charles Hynes has never taken off his political fedora. Instead, Hynes has developed cozy relationships with those who could help him politically, including Vito Lopez.

When the Lopez scandal erupted, Hynes side-stepped instead of taking action, and asked the court to appoint another prosecutor to handle the case in his place. The sole reason he cited for his recusal was that he had received political support from Lopez in his campaigns for district attorney. But clearly, there was more to Hynes' relationship with Lopez which rendered Hynes unable or unwilling to do his job than just some prior political support. How do we know?

Almost a decade ago, Hynes investigated and prosecuted Lopez's predecessor, Brooklyn Democratic boss Clarence Norman, trying Norman four separate times, even though Norman supported Hynes multiple times in his races for attorney general, governor and district attorney.

Welcome to the inconsistent politically infused style of prosecution that has defined Hynes' legacy as Brooklyn district attorney.

This is not the first time that Hynes has permitted his prosecutorial discretion to give way to his self-serving quest to retain the position he has held since the Cold War. In 2001, when Judge John L. Phillips decided to run against Hynes, D.A. Hynes used the courts to have Judge Phillips declared mentally incompetent. In 2003, when civil rights attorney Sandra Roper was preparing to run against Hynes for the second time, she found herself subject to felony criminal charges initiated by Hynes' Office.

So it is not surprising that Hynes, who had two chances to investigate his political confederate Vito Lopez before 2012, turned a blind eye.

In 2005, the Brooklyn D.A. refused to investigate a complaint from community leaders that alleged Lopez was voting from a sham address in Brooklyn while he was living in Queens. Conveniently, Hynes prosecuted John O'Hara for similar charges in three separate trials in the late 1990s after O'Hara ran against a political ally of Hynes.

In 2010, Hynes recused himself from a New York City Department of Investigation probe into Lopez's Ridgewood Bushwick senior center, which revealed that Lopez's girlfriend and campaign treasurer were receiving a combined salary of over a million dollars.

Earlier this year, Hynes came under fire when the media exposed his policy of not disclosing the names of pedophile defendants from Brooklyn's ultra-Orthodox community. This aberrant position, which sent shockwaves throughout the law enforcement community, shields pedophiles while sacrificing children. This position was clearly motivated by Hynes' desire to appease the powerful rabbinical figures who delivered a much-needed voting block for Hynes.

As a former prosecutor, I have seen first-hand the critical importance of pursuing justice with no regard for special interests. That is because a district attorney should never play politics with people's lives. Mr. Hynes clearly thinks differently. As a result, the virus that began with Lopez in Bushwick has now spread to Albany.

So goes Lopez, so should Hynes.

§1. July 07 2013 Giuliani testified on Capitol Hill to "House Homeland Security Committee"; **Homeland Security Secretary – Napolitano** cover **Italian Mafia** and after this will resign. **Giuliani** claimed **FBI** failure to inform metropolitan cities **Police** on terrorist treats. Obviously, **FBI** is the most criminal Agency in **Intelligent Community (IC)**. **Administration** cautious on potential Islamic terror and political correctness hurts nation. Different mindset might prevent **Boston Marathon** bombings.

In 2000 **Assistant US AG - Eric Holder** and "**Queen of Corruption**" - **Hillary Clinton** took bribes from **War Criminal Marc Rich**, pardoned by **President Clinton**. **Marc** gave **Bill** gift - golden plated **saxophone**. (Explicit details in letter from "July 26, 2012" and Web**6). **Giuliani** want **Rich** to pay taxes, instead of imprisonment. **Hillary** returns for **Secretary of State** Duties with **\$21 Million**; **Holder** recommended **Rich's** pardon and took **\$11 Million**. Former **Secretary of State – H. Clinton** hiding in secured mansion, promising publish book in **Aug. 2013** → "**Real Obama** and his **Administration**". Willing and doing are different substances.

§2. **About Democracy**: **Giuliani** claims, that **Russian President Putin** force creation of nuclear bombs for testing. **IC** knows that nuclear bombs tested by **USA** against Japanese Cities **Hiroshima** and **Nagasaki** in **August 06** and **09, 1945**.

President Carter said that after **Clinton US** violate **10 Constitutional Human Rights Declarations**, adopted in **1948**. Country ruled by **Bloomberg** bribed **IC** people - in **DC** and **NY** and no **Democracy** seen. **June 05, 2012**, **Michael Rombom** and I came to "**The City of NY Commission of Human Rights**" - **40 Rector Street, Manhattan**. I explain to **Attorney Sally Woo** my human rights violations. After meeting with her boss **Woo** told that my problems cannot be solved here, because **Politicians**, like **Bloomberg** will block it. **Journalists** interested on **Political Scandal** issues, losing braveness, when mentioned **Fascist Bloomberg** or **Corrupt Hillary Clinton** names. **Bill O' Reilly** got many times my documents on **Corrupt Politicians**, including **Obama**. He decides to avoid "**sharp**" subjects - this "fighter" stopped by **Bloomberg**. **Democracy** exists in **Russia** under talented Leadership of **Patriots: President Vladimir Putin** and **Prime-Minister Dmitry Medvedev**. **Putin** deserve erection of **Memorial** in **Poklonnaya Gora, Moscow**.

I met **Igor Boldyrev**, who took documents for **President** without enthusiasm.

Hillary Clinton paid **\$7Million** taxpayers money to get in **USA Victor Bout**, arrested in **Bangkok (Thailand)**. **Mueller and Homeland Security Secretary - Chertoff** went to negotiate details. **Bout** charged by **US Justice Dept** with "conspiracy to provide material support or resources to a designated foreign terrorist group, conspiring to kill American officers or employees and acquire and use an anti-aircraft missile". Scammer and financial beggar, not arms dealer - worth **2 years** in prison. **Bout** got verdict **April 05 2012** from talented **Judge Shira A. Scheindlin - United States District Court for Southern District of New York**. I was few times on hearings: **Prosecution** failed to show any clear evidence. On screen everybody can see cross outs documents - **illegal** for **Court** hearings. **Decision** is a result of pressure on **Judge** from **Chief Court Judge - Preska, Manhattan US Attorney - Preet Bharara** and **FBI-NY Assistant Director - Janice Fedarcyk**. Intermissions used to manipulate Jurors mind. **Russia Ministry of Foreign Affairs** stated: "**Bout** sentence is a **Political Order**". **Defense** was poor. In Court persons from Russian Consulate dressed and looks like factory workers; unsupported Bouts wife **Alla** was helpless and lost. After **May 05, 2011**, media report that **Obama** destroy Terrorist **al-Qaeda Leader Osama bin Laden**. **09/11** planed and made on **Saudi** money - **Osama** has nothing to do with. **The Clinton, Mueller, later Holder** got **hundreds Million** dirty **Saud** dollars. **Obama** left **Mueller** for **2 more years** in Office to **avoid investigations**, knowing truth. How many **\$Millions** **FBI Director** got from **Saudis**? **09/11 Attack** plus **Iraqi weapons** - fictitious reasons for **Administration**, Oil-sniffing **President George W. Bush** and **Vice - President Richard Cheney** to start war, stretching hands to **Iraq Oil**. **H. People with **Law Shield** reject **Giuliani 3rd** Term. Same people gave **Bloomberg** "**green light**" for his "**green bucks**". In '08 Election, to pull out **Giuliani** from the race, front pages tandem of liberal "**The New York Times**" and "**Daily News**" attack **Rudy** with "sensations" about "**Bracewell & Giuliani LLP**" consulting routine, criticize team of professionals: former **Manhattan DA** – **Marc L. Operation to create a **political discrediting** on **Giuliani** began in **1999**, when **Mark Kogan** was 'recommended' by **FBI** to **"Alliance Mortgage Banking"** at **8008 20th Ave; Brooklyn, NY 11214**. Same place was office of **Attorney Aldo Frustacci**. Mark spoke about hunting or fishing, Aldo told this his Italian friends **Sal Cefalu** and **NYPD 3-Star- General Michael Scagnelli**, who invite Italians and Kogan brothers to **Moscow** business conference. **Cefalu, Scagnelli** and **Frustacci** are **Giuliani** friends. In classified **Altai, Russia** forest farm **"Artabash"**, they drink vodka, hunting and spent time with young prostitutes. Mark recorded everything and told brother: **"They will work for my bosses"**. Back to America, **Frustacci** filed trapped, because **Kogan** made other to believe, that all 3 recruited to be **FBI Agents** and sent **"Alliance"** out of his commercial building, they move to **715 Ave U, Brooklyn, NY 11235**.

I land money to **Mark Kogan**, when he and few partners organize Legal Office **"All American Mortgage Bankers"**. In **2003** criminals from **"All American"** finance and open **"National Debt Service LLC"** at **2653 Coney Island Ave, Brooklyn**. Mark lures me there in **2005**, I came by his invitation. On 2nd fl. **Kogan** introduced me to **Office Manager - Bukharin Jew**. At that time I had delay payments on 2 **"Citi" Bank** credit cards. Mark proposes settlement with Bank and asks for **\$2,000** service charge for help. There works **13 "Financial Specialists"** on nothing to do with **Law**, but **Mortgage Fraud, Money Laundering, Credit History Clean** or other financial and mortgage fraud. They serve Lawyers, Doctors, Mortgage Brokers and many Banks. Marks affair made huge financial damage on **Millions dollar**; **"Alliance Mortgage Banking Corp"** with about **200 Offices** was crushed. That and many other banks were bankrupted by **"National Debt Service LLC"**.

After previous phone conversation, **Kogan** invited me to return debt - many times I land money to **Mark** and his brother - **Michael Kogan**. Mark organized scandal and **June 13, 2005**, at **12:40 PM** I was arrest in office at **7203 13th Avenue; Brooklyn, NY 11228** for alleged menacing of **Mark Kogan** and his family in **Moscow**. I came to **1st floor** of so called **Legal Office** (opened on my and other people money) expecting get money back - debt of several thousand dollars. I came with gravity knife, because Mark always had loaded rifles and guns in Office, car, at home. **Mark** proposed me **\$180** and called **Police**, who arrived about **12:40 p.m.** Mark states that I insult him, playing audio record of recent conversation in Russian language (he is often recording events). My arrest was step for Mark to became owner of our family house, using criminal schema of his **Financial Terrorist Organization**; money where never returned to me. **2 White Policemen** similar age each, refuse to hear taping in Russian, but Mark insist and proposed to translate. So, I was arrested and taken to **68 PCT**. Police made a report, money counted, collect and indorsed (registered and submitted) to protocol. In few hours, I was brought by Police to **Court** to testify in front of **Judge** and **Staff**

Fascist BLOOMBERG Seized Power in Country and Bought Everybody, Including US AG ERICK HOLDER and FBI DIRECTOR – ROBERT J. MUELLER III, Jr.

Anthony Weiner elected by Americans to **US Congress**. Of three letters to me, one dated **May 03, 2010**. Weiner called situation - "**Political Scandal in New York**". Corruption and Scandal involved **Fascists: Brooklyn DA - Charles Hynes; NYPD Commissioner - Kelly; and Nazi SS - Bloomberg**, who bought **DA and Commissioner**. **Congressman Weiner** request **Robert Mueller** and **Eric Holder** start investigation on cases, fabricated against me. **Bloomberg** gave for this crimes **Mueller** and **Holder** millions dollars bribe. That is why **President Obama** forced **Weiner** to resign from **Congress**. Using bribery-monetary relation with **Obama - Criminal Bloomberg**, hire FBI hackers to break **Weiner** website and sent to him **FBI killers**, which triggered baton and force **Congressmen** get decision to step down from **Congress**. **Congressional representative's** photos online was **fake photo-shop** and cheap shot, but **Weiner** "had to accept" his guiltiness and to be secure for his and his wife lives to moves from **Queens** to more safe place in **Park Ave South, Manhattan**. It is clear, that **Weiner** afraid of pressure by **FBI killers**. It is important to repeat - **President Obama** force **Congressman Antony Weiner** to resign using instigations through **FBI Agents**. Analyzing my situation **Congressman** and call it – "**Political Scandal in NY**". **Anthony Weiner** is so afraid on this scandal, which never mentioned about it to media.

When I visit Weiner Election Office at **597 5th Ave, 11th floor; Manhattan** on **August 13, 2013**, former **Congressman** was still scared in front of about 10 members of his **Team** and switched subject of our brief conversation.

(More details of **Obama** crimes can be seen on my letter "**Impeach Obama and suspend Corrupted Criminals**", dated **March 04-05, 2013**; recipients: **John Boehner, Eric Cantor, Barak Obama** and Journalists: **Bill O'Reilly, Jeffrey Goldfarb** and **Bill Sammon**).

March 31, 2006 I get letter from **Governor Pataki**; he requested investigations on this criminal case, fabricated by corrupted **Anti-Semitic Brooklyn DA - Charles Hynes** in **January 17, 2006**. **Charles Hynes** and **NYPD Commissioner Raymond Kelly** got millions of dollars from **Nazi SS Michael Bloomberg**, who aimed to be **US President** and fabricate criminal case **#2006KN003873** against me. Case opened by **Hynes** to cover up **Politically Corrupted Brooklyn Judges**, who took bribe from **Corrupted Lawyers Scott** and **Robin Miller**, also **Josh JFK Sapodin** and other. On trials **Mark Kogan** responded to Judge, calling him-self **Mark Lebon**. Actually **Mark Kogan** was related to crime with his partners: **Anti-Semitic 3-Star-General Michael Scagnelli – Chief of Transportation; 4-Star-General Joseph J. Esposito – Chief of Department** (both **NYPD**) and other **Italian Mobsters**. All people covered by **NYPD Commissioner Raymond Kelly** and Investigations always blocked by him. **Governor** ordered **Neil John Firetog Judge Supreme Court /Criminal Term/** and **eight** of his **Assistants** to made investigations; all **Judges** ignore **Governor** and block Investigations. **Scagnelli, Italian** and **Russian Mafia** still work, walk free and do frauds: **Banking, "Clearing Credit History", Insurance, Auto-Accidents, Medicaid and Medicare Fraud**. Crimes get around the Country under **Hynes** protection.

For **3 yrs** and **26 hearings**, I was **sued for nothing**, which became clear after cases were dismissed. **Taxi License #460678** was suspended and I cannot work. **Mark Kogan** wants to take my house and in **2005**, forces my ex-wife **Irina** to sale house **\$350,000** under market price; with

Yakov Slepoy

7

Lawyers Suslova and Tsyngauz on his side, House became property of **Ellen Kliger** and **Vladimir Borman**, then **Mark Kogan**. I complaint to **61 Police Precinct** and **01/17/2006** I was wiled there. Same year **61 Precinct** was honored by **Fascist Bloomberg** as the best **NYPD Unit**. To keep everything covered **Fascist Bloomberg** paid contribution **Millions** dollar **FBI Director Mueller**.

June 15, 2011, at **6:45 am** I open apartment doors on heavy knock, **4** killers in uniform of Federal Court Marshals from **Brooklyn Federal Court** pushed me inside and tell me: "**You are arrested for insult of Federal Judges**". I stretched hands for hand-cuffs and requested "**Order of Arrest**", which they do not have. Marshals leaded by **Deputy US Marshal - Melissa Salcedo** (tel. **917-337-4791**; I get name and phone on junk piece of paper, when they were retreated). **Salcedo** asks who else around and I call from the bedroom Landlord - **Natalia Kanevets**. Marshals command me to seat at sofa and targeted to my head **4** loaded guns; warn me to drop cases on suing **NYPD, Commissioner Kelly** and other cases. Marshals demand me to get out of town for two weeks. **Natalia Kanevets** told Marshals, that **Mark Kogan** make me poor and demand to leave Marshals, who came to kill me; for my luck, I had witness, what makes their task impossible.

Howard L. Wexler (tel. **917-841-2155**), Attorney at Law from "**Herzfield & Rubin P.C.**", in presence of my friend **Michael Rombom**, print out and gave me classified documents, which prove a conspiracy of **Lawyers, Judges** and **Brooklyn DA**. Talking about sage of my house, Howard said that he knows **Judge Arthur Schack** for **20** years and never suspect him to be so corrupt. Wexler suggested complaining at **FBI** and **Attorney General Offices**, what I did few times.

With **Michael Rombom**, having official documents with us, we visit **Oct. 25, 2012, US_SS (United States Secrete Service)** at **335 Adams Street; Brooklyn, NY 11201** (Tel. **718-840-1000**). They never invite us to **32nd** floor for Office **Managers**. Agents state - their duties to protect **President** and "**First Persons**". Second visit **US_SS** warn - we do not have to come again. **National Security** is not their priority. **June 08, 2012**, I call **Agent Capsel** (tel. **718-840-1449**) after **2 hours** Agent call and sent me to **FBI**, because supervisors see conflict of interests. I brought documents on **Racket, Economy Terrorism, Social Security Crime**, other **Activities** against **USA** - and get from useless **Agency** Subordination = junk. Web** 2 show what **Agency** capable in:

-
- *Report counterfeit money and may be able on complaints about financial crimes;*
 - *Access device fraud;*
 - *Counterfeiting and fraudulent identification;*
 - *Money laundering;*
 - *Telecommunications and computer fraud;*
 - *Benefits and food stamp fraud.*

§ 6. Chief Judges from Federal Courts are first officials, who band the Law in NYC.

Chief Judge Loretta A. Preska closed it with no reason and I have to appeal her decision. Obviously, crime of **Judge Amon** was well covered. Same way she ignored and dismissed (on **Bloomberg** "suggestion"), case on **80 Pregnant Women**, abused by **Bloomberg Administration** on their work spots. Case dismissed, despite facts of on duties discrimination. **Bloom** paid **Preska** bribe, as he always do, to remove "no evidence case" from Court Ledger. No doubt, that **Preska** close two my cases - **Yakov Slepoy vs. NYPD Commissioner Kelly** and **Yakov Slepoy vs. Mayor Bloomberg**.

Federal Chief Judge Dennis Jacobs from **US Court of Appeals for the Second Circuit** was last in corruption chain. He covered crime of colloques and continue his own, neglecting

my appeals. **Jacobs with 10 Active Judges** closed 3 cases(:a- vs. SociSal Security Administration, b- Court Marshals, c- Vladimir Borman & Mark Kogan) and covering **Judges Amon, Preska, Corrupted Brooklyn Judges, DA Hynes; also Schneiderman, Bloomberg and Cuomo. Politically Corrupted Brooklyn Judges** do not afraid to take bribe from **Lawyers**, who represent **Russian Mafia**, because **Charles Hynes** took more → **Tenths of Million Dollars in 24 years**.

§ 7. IC Leader - Director of National Intelligence Clapper get bribe from **Fascist Bloomberg** to cover crimes of **Directors** and **H. Clinton**. In **2009 - 2010** I apply to **DNI - Dennis Blair**. **Obama** blockade his initiatives, in respond Blair resign, upset and tiered. Then left **Offices: FBI-NY Assistant Director - Mark Mershon; Federal Attorneys - Dasin and Campbel**. **Clapper** and **Homeland Security Secretary Napolitano** do not work for Country, but **Obama**. **DNI** protects **Fascist Bloomberg** and **NY Crime Organizations; Corrupt Criminals: US AG - Eric Holder, FBI Director - Mueller**. **Fascist Bloomberg** bought **Mueller, Holder** and **Clapper** up-to **President Obama**. "Donation bribery" - **\$100 Million** done from **Bloomberg** to **Obama**; **First Lady - Michelle** want split gift of fortune and declare divorce with Layr Obama. Because of **Bloomberg Criminal Italian** and **Russian Jewish Gangsters** are free and ignore **FBI**.

Terrorist Acts became slightly touched - then **media quickly change topics**; journalists are scary to lost job, life or family members. **FBI** train terrorist to destabilize situation on **Russian Kaukaz** area; "failure" to track **Tamerlan, Tsarnaev's** older brother, who came to native **Dagestan** (area associated with Islamic extremism) for **6 months** last year. Terrorists trained and sent to **Russia** or killed as life targets on the leash to lift Agency image. From **09/11** to **Boston** – everything organized by **Mueller**; **FBI** used **International "Boston Marathon"** for their unbelievable crimes. Journalist **Michael Snyder** stated - media forced spread lie to all Americans. **Obama Administration** really **chock newspapers** and **elevate censure**. Facts:

-
- *Athletes were told that simultaneously with Marathon military miners get training. Then security refused to admit military training;*
 - *In Olympic Village were people on the roofs and K9 units Police in the streets;*
 - *FBI following "slipping group of 12 terrorists", to whom **Tzarnaev** brothers belong. By **Tzarnaev** terrorists mother words - FBI work with them about 5 years;*
 - *Bombs were sophisticated, not primitive, as initially informed. Web**4 stated - **The Tzarnaev** are **double American-Saudi Agents**. Suspects from **Tzarnaev** family frilly fly to **Russia**, why **IC** let it happened – with whose help and under what names they go?*

When **Obama** and **Clapper** arrived to **Boston**, **DNI** immediately state - **Terrorist Act** is evidence of **Domestic Crime** and warned media "don't ventilate situation, we are working...."- **no comments!** Terrorists left country without **Justice**. For harboring terrorists and conspiracy with **FBI**, putting **Israel** to danger of distraction and loyalty to **Saudi Arabia**, who finance the biggest Terrorist Organizations in the World - **Clapper** has to be **sued**. First articles said about **Saudi Citizen Abdul Rahman Ali Al Harbi**, who was sent out of America, no information can be fined then. This can hide relations - **FBI + Saudi Arabia + Al-Qaeda**. Tasks financed by **Saudis dirty money**.

We just hope that any **FBI Director** will be better, than **Mueller**, who deserve to be executed as at **Medieval** times in front of huge crowd, for his **UNTIAMERICAN CRIMES**. July 29, 2013, **Senate** has confirmed **James Comey** as the new Director of the **Federal Bureau of**

Yakov Slepoy

Investigation by a 93 to 1 margin. I am with this **one** and **#1 SENATOR - Sen. Rand Paul (R-KY). Giuliani Protégé**, who used to work under him from 1987 to 1993 in **Manhattan DA Office - James Comey** is **"not an achieving person"**....

Currently **Obama** and **Holder** have adopted a **"who, me?"** approach to the scandals - laughably claiming that the first they ever learned of them was when they read about them in the newspapers. **Michael Walsh** from **"New York Post"** published **May 2013** articles about **Criminal – US AG Eric Holder**. With **Obama**, he manipulates media and keeps reporters silent.

Too chutzpah and too late!

Secret seizure and **monitoring** of **phone records** from **Associated Press** and **Fox News** reporter **James Rosen** - nothing less than thuggish attempts to criminalize the practice of **journalism** - protected by the **US Constitution**. **NSA** and **AG** monitored and recorded phone calls of **Journalists, Congressmen**; everybody, including my-self and yours - **Mr. Giuliani**. I am person with many medical problems, occasionally in need of emergency calls. My telephone not only "on control 24/7", but life-line numbers **311** and **911** are blocked.

By turns: **Holder** **maudlin /плаксивый/** and **arrogant /высокомерный/** is fixture before congressional investigating committees - fending off one Obama scandal after another, while proclaiming that he - **the nation's top cop** - **doesn't know anything about anything** and **highly resents any implication that he does**.

I understand that any false statements made in this letter are punishable as a **Class "A" Misdemeanor** under **Section 175.830** and/or **Section 210.45** of the Penal Law.

If I submit false in my statements, I am ready to serve 10 life terms in Prison with no Pardon action or Amnesty.

Bloomberg Seized Power in Country and Bought Everybody.

1. September 24, 2011, President Clinton told President Obama, that he is worth President in American history. By this Clinton insult elected by nation President. In fact Clinton and his wife Hillary are the most corrupted people in the world history with no conscience. In 2000 my partner in "Petrol Ferrous" (Chicago, IL) - John Vujevich (tel. 708-334-2458) find in London Marc Rich - Owner of "Trafigura Beheer BV" Company to do business with. Rich was FBI most wanted criminal in US, who hides in London (order of his arrest was newer submitted to Interpol). Marc travel to work in Moscow Main Office and around the world. Former FBI Director Louis Freeh and AG Assistant (that time) - Eric Holder, Bill and Hillary Clinton- all took bribe from War Criminal Marc Rich, who finance Iran nuclear program in exchange for cheap oil. Marc Rich pardoned by President Clinton and gave Bill golden saxophone. He paid The Clinton, Holder to be pardoned by President Clinton on his last day in Office on initiative of Holder; then Rich frilly return to US. Clinton family left Washington DC poor. By surprise Hillary return with \$21. Millions on Bank Accounts and Holder get \$11 Millions. This is not a fat government salaries, but bribery gifts from Marc Rich.
2. In June 15, 2011 at 6:45 a.m. whole apartment building was wake up by 4 Federal Court Marshals leaded by Deputy US Marshal Melissa Salcedo (tel. 917-337-4791). They furious run to apartment without "Order of Arrest", but told that I'm arrested for assaulting Brooklyn Federal Judges. They were acting against Orthodox Jew like Nazi years ago Fascists Germany. Marshals cover crime of Corrupted Resist, Anti-Semitic Brooklyn DA - Charles Hynes, who take bribes over 18 years; Politically Corrupted Judges, Federal Chief Judge Carol Amon, in conspiracy with her court Judges Bloom and Ross. They came to kill me; for my luck I had witness, which makes their task impossible. Marshals warn me from suing Police, Commissioner Kelly and Mark Kogan Gang; they put 4 loaded guns to my head. Also Marshals demand, that I get out of town for 2 weeks. Mrs. Salcedo was curious, who else is in and I call Landlord Natalia Kanevets from the bedroom. Natalia scream to Marshals, that Mark Kogan make Yakov poor and demand Marshals to immediately leave.
3. Federal Chief Judge Preska (United States District Court, Southern District of New York 500 Pearl Street, Room 230) cover crimes of Amon, her corrupted collogues and Bloomberg. Preska cover up also crimes of Brooklyn DA - Charles Hynes and Commissioner Kelly. Corrupted

- **Charles Hynes and Politically Corrupted Judges** from Brooklyn, who take bribe from Lawyers, representing **Vladimir Borman, Ellen Kliger and Mark Kogan** from 2006. Behind Brooklyn Federal Judges stay other Brooklyn Politically Corrupted Judges involved in my cases during 7 years; all bought by **Bloomberg** and covered by AG – **Eric Holder** and FBI Director – **Robert Mueller**. From July 18, 2011 Judge Preska keeps on hold case #11-civ-5308 : "Yakov Slepoy vs. Mayor Michael Bloomberg" and closed many other cases to cover crimes of **Charles Hynes, Commissioner Kelly, NYPD, Social Security Administration, Ellen Kliger, Vladimir Borman** and Russian Mafia against me and my family.

4. And Federal Chief Judge **Jacobs** from *United States Court of Appeals for the Second Circuit* (40 Foley Square, New York, NY 10007) covering crime of Brooklyn Federal Judges **Carol Amon, Judges Bloom and Ross**, doing another crime, because of **Bloomberg**, who bought everybody especially in New York Courts. **Jacobs** with his 11 Active Judges close case against **Social Security Administration** lasted from **December 2008 to 2012**. Only with help of Office of Public Advocate for New York **Bill De Blasio** I get SSI after 4 years, starting **January 01, 2012**. Closing case #12-1234 Chief Judge **Jacobs** try to intimidate me and he reject Court jurisdiction on obvious deal, when Criminal Gang Organization still my family house in 2006 at \$350,000 under Market Price. Closing this and other cases he is under protection of corrupted Anti-Semites AG Holder and Director FBI Mueller.

5. January 17, 2006, criminal case (# 2006 KN 00 3873) against me was fabricated by Brooklyn DA - **Charles Hynes** and Commissioner **Kelly** in order, pressure and financial Injection of **Gangster Bloomberg** under protection of FBI Director - **Robert Mueller**. And **Mark Kogan** use situation, forcing my ex-wife to sale our family house **Kogan** became owner of the house. Governor **Pataki** and Judges from Criminal Court request from Brooklyn DA **Charles Hynes** investigation and telephone bill Subpoena on case from **March 31, 2006**, investigation was blocked by 10 Judges. Criminal **Hynes** press everybody to continue case, but it was closed after 3 years and 26 hearings. Adjournments done according **Bloomberg** was going to **Presidential Campaign** and necessity to cover espionage of **Commissioner Deputy**. Also to cover crimes of **Anti-Semites Commissioner Kelly**. After I was lure to 61 Precinct, Police was beating and interrogating me within 52 hours; Nitroglycerine (cardiac remedy) and other medicine was taken off in hope that I will die. Same year 61 Precinct was honored by Mayor **Bloomberg** and named **Best Police precinct** in NYPD.

6. Congressman **Antony D. Weiner** was elected by people and request corrupted Anti-Semites Holder and Mueller to start investigation in my cases. **Weiner** called situation - **Political Scandal** in New York. **President Obama** exceeds his power by Holder proposal and forget, that he is also one the citizens of the Great Democratic country – **United States of America**. June 05, 2009 I apply to **Director of National Intelligence - Dennis Blair**; soon he resigned, upset and tiered. Left their offices FBI NY Director Assistant - **Mark Mershon**; Federal Attorneys **Dasin and Campbell**. **Anti-American Gangster Bloomberg** bought everybody in New York and Washington DC, forcing honest people to resign.

7. November 2005, I was called to FBI NY, 26 Federal Plaza 23th fl. by Agent **Jeff** (tel. 212-384-2477). After meeting with High Rank Officers and Russian Interpreter **Jeff** tall me, that his bosses forbid to start investigations on **Mark Kogan** and 3-Star-General **Michael Scagnelli** (best friend of Corrupted **Andrew Cuomo** and **Michael Bloomberg**),

Russian and Italian Criminal Economy Terrorist Organization - "good people", despite facts. In 2012 I face similar situation with other Agency - **United States Secret Service**. - Field Office (Tel.718-840-1000) at 335 Adams Street; Brooklyn, NY 11201; Twice I came with original documents in-person and without results. **June 08, 2012** I spoke to **Agent Capsel** (tel.718-840-1449) in 2 hours I get return call with suggestion go to **FBI** - agents Supervisor saw Conflict of interest. I brought documents on 4 important issues: **Racket, Economy Terrorism, Social Security Crime, Spy Activities** against USA and **USSS** gave empty words about Subordination. **A.T. Smith - Deputy Director of USSS** and **Secretary of Homeland Security - Janet Napolitano** need consideration. Their subordinates are useless. **Bloomberg** bought everybody in NYC and DC to cover his crimes. **Criminals from Russian Community - Doctors, Lawyers, Bankers and Businessman** meet **Bloomberg** at fancy Night club "**National**" in Brooklyn, **Brighton Beach Area**; **Commissioner Kelly** and **Brooklyn DA - C. Hynes** were there too.

8. By opinion of **President Carter** internal and external Policy of United States is violation **10 Constitutional Declarations of Human Rights**, adopted in 1948. As I can see, there is No **Democracy and Human Rights** in the country, ruled in reality by **Bloomberg** and people, he bought, not a **President** and his **Administration Power**. For the last 7 years I'm facing listening of my telephone, persecute and murder attempts. Not only I, my family and all Americans became hostages of dirty games of **Corrupted Gangster Bloomberg**, but also you **Mr. President**, your beautiful wife and children. All the crime starts from **Brighton beach area of Brooklyn** and then spread around the country. And **Brooklyn DA Charles Hynes** take side of **Politically Corrupted Judges, Lawyers** and all the criminals. Over the last 18 years, taking bribe is only business of **Hynes. Bloomberg** is Criminal without honor and conscience. He bribes **DNI - James Clapper**, who cover crimes of **Intelligent Community** leaders: **AG Eric Holder** and **FBI Director Robert Mueller**, **Secretary of Home Land Securities - Janet Napolitano** and **Director of US Secret Service**. President knows about Crimes around and keeps **Robert Mueller** for another 2 years to avoid investigations on **Bush** crimes.

9. **Corrupted Law Marionettes** devoted to **Bloomberg** are **Chief Judges - Preska and Jacobs** (also their **Assistants**) from the **Manhattan Courts**. **Anti-Semites Judge Jacobs** cover other Judges and don't afraid to do Crimes, because support of **Chief Justice of US - John G. Roberts**. **Bloomberg** subsidy all of you, because of this he is covered on his crimes from all sides. Then **Bloomberg** peel money whenever he wants as silence guaranteed. I have been few times in **Publish Houses - "The New York Times", "Daily News"**, send letters by registered mail to "**Washington Post**." Journalists afraid to talk when mentioned **Bloomberg's** name:

I understand that any false statements made in this letter are punishable as a Class "A" Misdemeanor under Section 175.830 and/or Section 210.45 of the Penal Law.

Chapter 119 on website

Judicial Watch's Dirty Dozen

Washington, DC) Judicial Watch, the public interest group that investigates and prosecutes government corruption, announces its top ten list of the most corrupt politicians, government officials, lobbyists and business leaders of 2002.

#1 Sen. Hillary Clinton (D-NY): Like a modern-day Gollum, Mrs. Clinton's quest for political brass rings frequently descends into evil, from Whitewater to FBI Filegate to Travelgate to taking over 2 million dollars in illegal contributions for her Senate campaign from Judicial Watch client Peter Paul. Judicial Watch's quest is to throw her ring into the judicial "Cracks of Doom."

#2 Bill Clinton (D): The "King of Corruption" for eight tawdry years, Judicial Watch looks forward to taking Mr. Clinton's testimony under oath in the Dolly Kyle Browning vs. Clinton case and many others.

#3 Fmr. FBI Director Louis Freeh (R): The most corrupt and inept FBI Director in the history of the agency, Freeh recently suffered a blow from the Supreme Court, refusing to acknowledge his claim of immunity in a lawsuit filed by JW on behalf of Fmr. Energy Department Director of Intelligence, Notra Trulock.

#4 Jesse Jackson (D): Judicial Watch sued the so-called "Reverend" Jesse Jackson, his son Jonathan and others for alleged civil rights violations and assault and battery on behalf of conservative black activist Rev. Jesse Lee Petersen.

#5 Congressman Richard Gephardt (D-MO): Judicial Watch sued Gephardt & his campaign staff for alleged assault, civil rights violations and abuse of process and other wrongdoings on behalf of Bill Federer, who ran for and nearly won, Gephardt's seat in 2000.

#6 DNC Chairman Terry McAuliffe (D): Parlayed \$100,000 into 18 million dollars in the bankrupt Global Crossing. JW is suing McAuliffe over his

Untitled

alleged shady ties with Global Crossing.

#7 Fmr. IRS Commissioner Charles Rossotti (R): Used the Internal Revenue Service as a political weapon that would have made even Richard Nixon proud.

#8 Sen. Trent Lott (R-MS): A supreme embarrassment to the nation even before his recent foot-in-mouth statement at Strom Thurmond's 100th birthday, Lott was instrumental in making the impeachment trial of Bill Clinton a total joke.

#9 Sen. Robert Torricelli (D-NJ): Like "The Godfather's" Senator Geary, "The Torch" couldn't find an offer or a big-screen TV that he couldn't refuse. His corrupt career on Capitol Hill presently sleeps with fishes.

#10 Sen. Tom Daschle (D-SD): Judicial Watch has filed FOIA requests to uncover Sen. Daschle and his wife Linda's role in the selection of faulty bomb detecting equipment for the airline industry.

#11 Fmr. Enron CEO Kenneth Lay: The disgraced "Kenny-Boy," used investors money in Enron like his own personal cookie jar, playing the fiddle while this Houston-based company burned.

#12 Congressman Henry Waxman (D-CA): For his tireless efforts to obstruct justice whenever Democrat wrongdoing is involved.

Honorable Mention:

Congressman Tom DeLay (R-TX): "The Hammer" smashed his thumb when he tried to sell White House access to contributors a la Lincoln bedroom-style.

Rudy Giuliani says political correctness by **Obama Administration** hurts nation's ability to stop terrorist attacks. **Former mayor says a different mindset might have prevented Boston Marathon bombings**

Former Mayor Rudy Giuliani told a congressional hearing on Wednesday that politically correct thinking by the Obama administration may have contributed to the failure to stop the Boston Marathon bombing

WASHINGTON

- As alleged **Boston** bomber **Dzhohkar Tsarnaev** was about to be arraigned, Rudy Giuliani told **Congress Wednesday** that "political correctness" by the Obama administration may have thwarted efforts to stop the Boston attack.
- Testifying before the **House Homeland Security Committee**, the former **New York Mayor** complained that the administration has become too cautious about identifying potential Islamic terror threats.
- "You can't fight an enemy you don't acknowledge," Giuliani told the hearing, which was called to examine intelligence breakdowns that might have allowed the Boston bombers to carry out their attack.
- "To confront this threat effectively, we have to purge ourselves of the practice of political correctness when it goes so far that it interferes with our rational and intellectually honest analysis of the identifying characteristics the help a discover these killers in advance."
- Michael Leiter, former head of the **U.S. National Counterterrorism Center**, dismissed the claim that political correctness has compromised the fight against terrorism.
- The idea "is simply beyond me," he testified.
- Leiter noted that fewer than 20 people have died in Islamist-inspired attacks in the U.S. since Sept. 11, "so our record is far from perfect but it's very good."
- Committee Chairman Michael McCaul (R-Texas) argued that based on its rhetoric, the Obama White House "seeks to return to a pre-9/11 approach to fighting terrorism on our soil."

- The Obama administration abandoned the term "war on terror" soon after Obama's election, and during his reelection campaign Obama asserted that al-Qaeda was "on its heels."
- In February, however, Obama spokesman Jay Carney said that the U.S. is at "war against al-Qaeda and its affiliates."
- In his testimony, Giuliani argued that, "We have by no means conquered well-organized Islamic terrorist groups. And whether we recognize that we are at war with them is almost completely irrelevant, because they are at war with us."
- He added, "The real question is: Are we going to recognize that they are at war with us, or are we going to fool ourselves into a very dangerous state of denial?"
-
- **Giuliani** echoed claims by a member of the committee, **Rep. Pete King** (R-Long Island), that political correctness trickles down to investigators in cases involving religious extremists.
- Giuliani cited red flags leading up to **Army Maj. Nidal Hasan's** alleged killing of 13 people at **Fort Hood, Texas, in November 2009**.
- "For example — and this is with the benefit of hindsight — there would have been a much greater chance of preventing Fort Hood, and possibly — and this I emphasize is possibly — the Boston bombing, if the relevant bureaucracies had been less reluctant to identify the eventual killers as potential Islamic extremist terrorists," Giuliani said.
- "The elevation of political correctness over sound in investigative judgement certainly explains the failure to identify Maj. Hasan as a terrorist. That political correctness has been extended so far that the current administration describes his act as 'workplace violence.' This isn't just preposterous. What we fail to realize is, this is dangerous."

Former Mayor Rudy Giuliani arrives on Capitol Hill to testify before the House Homeland Security Committee hearing on

Giuliani claimed that the FBI's failure to track Dzhohkar Tsarnaev's older brother, Tamerlan, might have been caused by being too cautious on civil liberties issues. It was a reference to

Tamerlan's return to his native Dagestan, an area associated with Islamic extremism, for six months last year.

Authorities charge that the two brothers carried out the Boston bombing in April. Tamerlan was killed while trying to evade authorities after the attack, leaving his brother to face the charges alone.

"The fear of incorrectly identifying Tsarnaev as a suspected Muslim extremist might have played a role in not taking all the steps that seemed prudent given his suspicious behavior," Giuliani maintained. "He obviously wasn't going back to listen to the Moscow symphony."

Later in the day Wednesday, Dzhokhar Tsarnaev pleaded not guilty to all charges in the case. It was his first appearance in public since he was captured after the Boston attack.

FBI Director Sheepishly Admits Agency Hasn't Solved Single Crime In 10 Years. APRIL 7, 2011 | ISSUE 47-14

WASHINGTON—in response to a probe into the bureau's operational costs, FBI director Robert Mueller timidly told Congress Wednesday that the organization he oversees has not technically solved any crimes since 2001. **Mueller** make **FBI** hostages of his crime in front of American people. **President Obama** holds for other 2 years this **Criminal Gangster**

After confirming that the FBI does indeed have more than 13,000 special agents deployed to investigate cases all across the country, Mueller stressed that the bureau's internal process was "complicated," and that the fact that not one case file has been closed in the past decade is not unexpected.

According to records, the last case the FBI officially solved was a Topeka, KS mail fraud offense in February 2001.

"It's hard to explain to a layman precisely how our operations work, but it's really more about analyzing crimes than it is about actually, you know, arresting perpetrators and convicting them," a fidgeting Mueller said. "It's a process, is what I'm trying to say. It isn't always so simple as 'solved' and 'unsolved.' That's been especially true this decade, I think."

"Besides, solving crimes, per se, is relatively basic," Mueller added. "We're trying to set our sights a little higher, is the thing."

According to Mueller, while the FBI has worked tirelessly over the past decade to obtain leads, collect a substantial amount of evidence, and organize a thorough criminal database, it has still failed to solve any cases, despite coming close several times.

Offering a variety of reasons for the surprising results, Mueller insisted that while many in the agency would love to be solving more federal crimes, in the end, the majority of cases usually work themselves out anyway.

"I think the problem here is that everybody is thinking too narrowly about this whole crime-solving thing," said Mueller, adding that preventing crimes from happening in the first place was much more important than solving crimes that had already been committed and that no one could do anything about at that point. "Besides, a lot of the really softball, solvable cases don't come across our desk at all. We let local law enforcement handle that stuff, and, you know, we don't want to step on their toes or anything."

"Honestly, I don't even associate the words 'FBI' and 'solving crimes' in my mind, really," Mueller added.

Mueller also said that investigative journalists basically solve 20 percent of crimes before the FBI even has a chance.

Growing increasingly frustrated, Mueller testified that in a broader sense, the problem of crime could not really be "solved" unless society were changed as a whole—a task, he said, that did not fall under the FBI's purview.

"We spend a lot of hours investigating and we have arrested suspects, but even if you convict someone, what have you accomplished?" Mueller asked. "At the end of the day, we can slap some cuffs on some creep, but that's not going to bring 15 decapitated kids back. That's not solving anything."

When asked for an accounting of the bureau's \$7.9 billion budget, Mueller said a significant portion of those funds were dedicated to eliminating those who question the FBI's accounting.
